Follow Up on Art Days

- Terese Plant will do an art lesson for each grade. Jan 23 and Jan 30 will be scheduled for this. Will wait for feedback from teachers, but looking into doing a class based art class.

Follow Up on Math Discussion (Parent Night - January 22nd)

- Have had discussion about parents having a hard time understanding what CMI is. The

Parent Night will introduce parents to the idea of CMI by having them participate in a math lesson with their student.

Follow Up on Math Data Analysis Meeting

- Had teachers meet before Christmas break to review and discuss the District Math

Interim Test. Teachers made plans of how to reteach concepts that were not mastered.

90 Day Action Plan Draft

- Looked over the 90 day action plan for the second half on the school year.
- Goal 1 - DIBELS (Statewide district reading test): 80% of K-3 students will be proficient

on the test. Aides will progress monitor DIBELS and teachers will review weekly during PLC meetings. During data analysis meetings, teachers will have time to look at scores more in depth and make plans of progress monitoring.

- Goal 2 - Learning Targets: Help students become self evaluators of their own learning. Got feedback from group about kids feeling to much pressure from testing.
- Goal 3 - Data Analysis Meetings: Allow teachers time to dig deeper into data and make plans for going forward in their teaching.

Walking Route

- Need to turn in walking route by end of the month. Discuss making changes to bullet one that discussed having a crossing guard placed at 2050 West and 400 South.

Discussion on 2015-2016 SCC Plan

- Mr. McCarty would like to bring a draft of this plan to the next meeting. He opened up the discussion to the council to see if there were any changes that needed to be made. The council liked the idea of continuing to use the money for intervention help.

Questions, Comments, Concerns, Ideas

- Mr. McCarty will follow up on funds for our school's parking issue. Mr. McCarty will also look into Alta - making parking lots car and bike friendly.
