

School Community Council Meeting Notes 10-22-15

State Procedures and Rules

Compliance with State Law:

-SCC will work to create a reading achievement plan (we have three aides from SCC)

-2 more parents than employees

-public meetings, posted online on school website

-primary goal is to improve academic achievement

*All voted to adopt these compliances.

Final Report of Goals/Progress (based on plan from three years ago)

Goals:

1. improve on SAGE (we wanted 10% more students to pass)

-We didn't meet this goal, but we've realized that a 10% jump is a little steep and difficult to achieve, but we have lots of good things in place to hopefully see more improvement this year. We are focused more on guaranteed essentials and essentials, with specific help in Tier 2 and Tier 3, with the goal of seeing more improvement.

2. 90% K-3 pass the DIBELs

-51% at the beginning of the year and 59% at the end of the year

-So we didn't meet the goal last year, but every grade level has really strong plans and we are confident we will see much greater progress this year.

Ryan feels strongly that even if we took away the SAGE and state testing, we wouldn't change what we're doing. We're doing the right thing; we're doing so much good.

Plan for Current Year

DIBELs

-Started the year at 53% passing

We have three extra aides using our funding, which will be about \$37,000

We were able to reallocate funding so we'll have about \$13,000 extra for carry-over.
