Go over draft for 2015-2016 Proposed Plan

- Use money to pay for additional aides to help with interventions.
- Received more money than expected, Mr. McCarty will look into being able to roll the money over to next year to fund for another aide.
- Goal 1 - Increase SAGE Language Arts portion by 10% growth from 46% to 56%. Improve overall number of students who are passing the DIBELS assessment to 80% or more of K-3 students passing on grade level.
- Goal 2 - Increase SAGE Math portion by 10 % growth from 48% to 58%.
- Proposed to vote on the draft during the next meeting on March 19, 2015.

Lunch Recess and Increasing Fruits and Vegetable Consumption

- Looking into making lunch recess first and then have students eat lunch.
- Mr. McCarty will be visiting schools in the district who use this lunch model.
- There has been positive feedback from teachers, PTA members, and council members.

Letter of Support from the Community Council about After School Program

- Apply for 21st Century Grant that allows us to have a before and after school program.

- 2 things we look for towards programs:

- o 1-Enrichment (choir, robotics, art)

- o 2-Intervention (homework lab)
