3. Applications – new people fill out application
4. Purpose of SCC – make decisions about how Trustland funds are used for the school.
5. Chad Duncan – House Bill 213 – School Community Council involved in school internet filters.

Chad and JP here to share what the district does to filter district owned devices. Karen Rupt is an administrator for Trustland for the state. Responsible to understand what filters are in place on school devices and to give feedback on the filters and educate kids/parents on Internet safety.

Amelia Earhart uses Netsmart to educate kids about Internet safety. Suggestions – look to have a police officer come and offer a class about internet safety for parents – parent night? District has to

have a filter (iBoss), monitor, and report any incidences.

a. Takes a filter

b. Monitoring by teacher and parents

c. Education about what to do when an inappropriate sight comes up.

6. Elections: Penny Brown nominated Shennon Mercer for President. Kari Lillico second the nomination. All other in attendance agreed. Kari Lillico nominated Heidi Burnett as second.

Shennon Mercer second the nomination. All other in attendance agreed.

7. Indicators of Greatness/Mission Statement – Last year the faculty of Amelia Earhart came up with

indicators that they would like to assess the school on. At the beginning of this school year, the faculty revisited the indicators and revised. The faculty then highlighted key words that they

would like to see in the school’s mission statement. The leadership team used the highlighted words to create the new mission statement for Amelia Earhart. – ADD MISSION STATEMENT.

8. Guaranteed Essentials – Review of what was talked about during Parent Night. Mr. McCarty talked about the process of how the teachers came up with them. Teachers met together during the

summer and discussed what things are the most important in each grade that we will guarantee that

each student will master in that grade. This is not the only thing that will be taught throughout the

year. We will focus on the guaranteed essentials in our reteaching first before we move on. A

suggestion from a parent was that we notify parents if students are receiving Tier 3 help (off grade

level).

9. Learning Target Journals – Discussion on what is expected with learning target forms that come

home. There was a discussion about what is the expectation for these. There was also feedback from parents about kids not understanding what they are suppose to do with this or how to not make it a mundane thing. Talked about students signing their parents name/initials on forms.

10. Questions, Concerns, Ideas --
