

Introducing Flight School

We're so excited that this year at Amelia we will be starting to run a class for young children and their caregivers. Since these children will be our *mini aviators* we're calling this Flight School!

Flight School will be run by Miss Emma (Emma Hoskisson—never fear, she will still be running After School) with Miss Katie (Katie Whitby—an amazing new member of our Amelia Team).

Flight School classes will run for a semester. This Fall session will be August 23-December 20th

Classes will meet 2/week and will be 1.5 hours long and will be followed by 30 minutes of "office hours" where parents/guardians may meet with the teacher.

Section A: 9-10:30 am, M/W

Section B: 9-10:30 am, T/Th

Section C: 12-1:30 pm, M/W

Section D: 12-1:30 pm, T/Th

Classes are limited to 8 students/class so families will need to apply. Those who are accepted will be notified a week before programming begins (August 16th). Those who aren't able to join us in the fall will be able to apply early for the next semester.

Children must be at least 4 years old by the end of September 2023.

Children must come with a caregiver. Caregivers may be parents, guardians, or other adult family members, babysitters, and nannies. Three caregivers are able to register for each child. In order to get the most out of the program, it's ideal for one caregiver to come consistently.

Children will develop:

- Fine & gross motor skills
- Social and emotional intelligence
- Language skills
- Confidence in classroom settings
- Familiarity with letters, numbers, colors, and patterns

Caregivers will gain skills:

- Fostering a growth mindset
- Reading with a child to develop comprehension and critical thinking
- Managing big emotions
- Helping your child be independent

Feel free to contact Emma at emmah@provo.edu with any questions.
